

Families in Action December Event: Dec. 13th

Let's Spread JOY!

"MOONBEAMS for SWEET DREAMS!"

"Moonbeams for Sweet Dreams," is a program created by the [Beaumont Children's](#) Pediatric Family Advisory Council at Beaumont Hospital, Royal Oak. At 8 p.m. every evening in December, pediatric patients will shine flashlights from the hospital windows and look for community members standing outside the hospital to flash them back.

The Pediatric Unit at Beaumont also has a continual need for donations to support the playrooms and individual recreation offered to the patients. Families in Action will be collecting items recommended from the Beaumont Pediatric Wish List including the following:

- **Art Supplies (canvases, water color paper & paints, colored pencils, adult coloring books, Model Magic, Fiskars scissors-adult and child)**
- **"Distraction and breathing toys" such as Pinwheels, light up toys, bubbles**

Donations will be collected at school and in the parish collection closet.

PLEASE JOIN US on December 13th
We will meet at 7:30 pm at Royal Oak
Beaumont in the Neurology Parking Lot
(Coolidge Rd. Hospital Entrance and turn left at the stop sign)

Please email Mrs. Ried or Mrs. VanFleteren to let us know you plan to join us.
aried@hncschool.com or avanfleteren@hncschool.com

"Parents of hospitalized children were brought to tears upon seeing the number of people who stood in the cold to express their genuine care and concern. The beautiful community gesture brought delight, giggles and wonder to children during a difficult time in their lives and showed that no one is alone who has community. You donated your time and talent, shivered in the cold, sang songs, brought joy, met friends and sparkled in the night. You soared beyond medicine, sharing the love of a community to heal spirits." <https://www.beaumont.org/health-wellness/moonbeams>
