

Slam Dunk Into Reading

Reading Month Read-In Tuesday, March 10, 2020

One of the many ways we will celebrate Reading Month this year is by having a read-in. Students in grades K-8 will grab their books, curl up with a blanket, and spend some time reading in the gym. This reading time will be added to each student's total reading minutes for the month.

On this day, students will wear their PE uniforms. They may also bring slippers to wear and a stuffed animal to read with during the read-in. Students can bring a dry snack to enjoy during the read-in as well.

Please encourage excitement for the read-in by helping your child select reading material for the event.

Read-In Schedule
