

You Are the Apple of God's Eye

By Mary K. Freeman

Lyrics

We are the apples of God's eye.

It is us.

We are special to Him.

We are the apples of God's eye.

He keeps us close to His heart.

He loves us.

You are the apple of God's eye.

It is you... (name)

It is me.

You are the apple of God's eye.

He keeps you close to His heart.

He loves you.

... (repeat verse for each person)

God, You are the apple of my eye.

It is You, Jesus.

It is You.

God, You are the apple of my eye.

I keep You close to my heart.

I love You.
