1. What is the title of your novel and who is the author?
2. What is the setting (location and time) of the story?

4. Briefly describe the plot without giving away the ending. (At least 8 sentences)
5. For the main character:
 - a. describe his or her physical characteristics (*i.e.* what does he/she look like?) You may use excerpts from the novel; and
 - b. list **three** of his or her personality traits (use descriptive adjectives) and provide excerpts and/or examples from the novel to support **each** of these adjectives.
6. Describe three of the other main characters in the novel. Be sure to include a physical description of each character and three adjectives to describe each of the character's personality traits.
7. What lesson or moral did the story teach you? How does it apply to the novel? Use at least 3 examples from the book to back up your choice.
8. Provide three of your favorite quotes from the novel. For each quote, explain why you liked it. Include the page numbers from the book. (Use MLA format)
9. Was the writing effective? Why or why not? (At least 5 sentences)

This assignment should be typed in 12 point font, and it should be double spaced. Please have an original cover for your report. Your cover page should contain the name of the novel, the author's name, a picture depicting some aspect of the novel (do not reprint the cover of the novel or print pictures for the movie version if there are any), and your name.

Please submit **TWO** copies of your report.

This assignment is due on **THE SECOND DAY OF SCHOOL** and it will be graded. If a report is turned in a late, a penalty will be assessed (a 10% deduction for the first day it is late, and a 5% deduction for each additional day).

Once you have completed your novel, feel free to read some of the other novels.☺
